

## A Summer Picnic

By Yiu Wai Ching 5C

Joyce went on a school picnic on Lamma Island today. Joyce and her classmates were so excited. First, they went to Emily's house to make lunch. Joyce made some sushi and Emily made some sandwiches. The boys were washing some fruit to make some juice.

One hour later, they had got ready for the picnic, so they rode a bus to the pier. Then they waited for the ferry. While they were waiting, they bought some snacks from the shop nearby. They bought some candies, chocolate and cookies because they could eat something if they got seasick.

On the ferry, they saw some beautiful waves and islands. The view was stunning. They were excited and satisfied. Also, they saw seagulls flying above the water. They were very cute.

After half an hour, they arrived at Lamma Island. However, when they arrived, the weather wasn't so good. The sky was overcast with black, dark clouds. They were eating very happily.

It started to rain so they ran as fast as they could to find a shelter. Luckily, they found a shelter. When they got in, they found a mysterious box. When they opened it, they found a tunnel inside the box. They all jumped into the tunnel. Then it said, "A way to the pier." They ran as fast as they could and found the tunnel exit. At last, they got back to the pier and got back home safely.
